## International Students Recruitment

### Objective

Hin Hua High School is a community-run Chinese medium school registered under the Ministry of Education, Malaysia with the approval to recruit foreign students. In line with Malaysia's vision of becoming the education centre in South-East Asia, Hin Hua High School has recruited outstanding foreign students since 1998.

### Facilities

Located in Southern Klang, Selangor state, about 35km from Kuala Lumpur, Hin Hua High School was established in 1947. This is a secondary school providing six years of academic studies (3 years at junior level and 3 years at senior level) with an enrolment of nearly 2400 students. We have a land area of 17,250 square metres while the built up area is 37,110 square metres. Today the school is modern and well-equipped with up-to-date pedagogy. An eClass learning platform has also been introduced to enhance learning and teaching effectiveness.
